ANNEXURE A TERMS AND CONDITIONS

Boutique Collective Investments (RF) (Pty) Ltd administers the BCI unit trusts. It is authorised to do so as a Manager, in terms of the Collective Investment Schemes Control Act. In this document it will be referred to as "BCI".

- This application and the Deed will form the agreement between the investor and BCI. The agreement will be administered in terms of the Collective Investment Schemes Control Act, No 45 of 2002 ("The Act").
- The investor applies to invest in the Collective Investments managed by BCI in accordance with the provisions of BCI at the ruling purchase price at the close of business on the date of receipt of the funds by BCI, or being placed in receipt of this application, whichever is the later, provided it is received by the daily cut off time of 14h00 (South African time). If received after 14h00 (South African time) then the following business day's ruling prices shall be used to calculate the purchase value of the investment. Withdrawal transfers may be delayed if assets have to be liquidated.
- The risk profile of the investment has been explained to the investor in terms of the underlying assets (equities, bonds and cash). Collective Investments should be considered a medium to long term investment. Collective Investments are sold at ruling prices. Forward pricing is used to determine the net asset value. Commission and incentives may be paid and are included in the overall costs. The value of the participatory interests may go down as well as up and past performance is not necessarily a guide to the future performance. BCI is a member of the Association for Savings & Investments SA ("ASISA"). BCI does not provide any guarantee in respect to the capital or return of any portfolio.
- A fully completed application form, together with proof of deposit and additional supporting documents as required by BCI must be received before 14h00 to be transacted at the NAV price for that day. Money Market Funds must be received before 11h30. An instruction will be deemed to be complete on receipt of cleared identifiable funds in the bank account and all required documentation.
- Participatory interests ("units") are priced using the forward pricing method, and prices are calculated on a Net Asset Value (NAV) basis. The NAV price is the price at which you can buy or sell units. NAV can be defined as the total market value of all assets in the fund, including any income accruals, less any permissible deductions in terms of the Act, divided by the number of units in issue.
- The funds are priced daily at 15h00. Fund of Funds are priced at 08h00 (T+1).
- The manager may borrow up to 10% of the value of the fund where insufficient liquidity exists in a fund, or where assets cannot be realised to repurchase or cancel participatory interests.
- The annual management fee is levied monthly on the daily value of the fund.
- BCI will not be liable for any loss incurred due to incorrect information being supplied by the investor or the financial advisor.
- 10. Without prejudice to any other rights which BCI may have in terms hereof or at law, the investor agrees that BCI shall be entitled to recover from the investor any amount of money paid to the investor which the investor is not entitled to for whatsoever reason, including interest thereon.
- 11. Should BCI be prevented from fulfilling any of its obligations in terms of this application as a result of an event not within the reasonable control of BCI, those obligations shall be deemed to have been suspended to the extent that and for as long as BCI is prevented from fulfilling those obligations.

- 19. Redemptions: BCI retains the right to redeem to the client's bank account any balances less than R100.00
- 20. Unclaimed assets

As member of the Association for Savings and Investment SA ("ASISA"), BCI follow ASISA's Unclaimed Assets Standard. BCI has an obligation to initiate tracing procedures in the event of a trigger event. These trigger events include e.g. returned income distribution payments, returned redemption payments or income statement and/or annual unit holder reports. BCI will try to contact you using any contact details which may be available on our internal database or external information providers. These tracing processes will be followed within 6 months, 3 years and 10 years of the deemed date of the trigger event. In the event that the first step of minimum tracing proves to be unsuccessful, any reasonable direct administrative and tracing costs may be recovered from the investor. Tracing may cease if the value of the investment is less than R1 000. It is the investor's responsibility to inform BCI of any changes in personal information in order to avoid an investment becoming an unclaimed asset. By attaching your signature to this application form, you consent to using your personal information to facilitate tracing where required. For further information regarding the ASISA Standard for Unclaimed Assets and the processes BCI will follow please visit www.asisa.org.za or alternatively you can view the Standard on BCI's website www.bcis.co.za.

21. **The Effective Annual Cost (EAC) is a measure which has been introduced to allow you to compare the charges you incur and their impact on investment returns when you invest in different Financial Products. It is expressed as an annualised percentage. The EAC is made up of four components, which are added together, as shown in the table below. The effect of some of the charges may vary, depending on your investment period. The EAC calculation assumes that an investor terminates his or her investment in the Financial Product at the end of the relevant periods shown in the table.

Conflict of Interest

- 1. The Investment manager earns a portion of the service charge and performance fees where applicable.
- 2. In some instances portfolios invest in other portfolios which forms part of the BCI Schemes, refer to fact sheets for more details.

Collective Investment Schemes in Securities (CIS) are generally medium to long term investments. The value of participatory interests may go down as well as up and past performance is not necessarily a guide to the future. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down. CIS are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees and charges and maximum commissions is available on request from the company/scheme. Commission and incentives may be paid and if so, would be included in the overall costs. Forward pricing is used. For Money Market Funds a constant price will be maintained. While a constant price is maintained the investment capital is not guaranteed. A fund of funds is a portfolio that invests in portfolios of collective investment schemes, which levy their own charges, which could result in a higher fee structure for these portfolios. Different classes of units apply to these portfolios and are subject to different fees and charges. Boutique Collective Investments (RF) (Pty) Ltd is a member of the Association for Savings & Investment SA (ASISA).
